

**9th EPN Biennial Forum- Scaling up MNCH Life-saving Products Introduction in the FBO Health Facilities Project Side event**

**Date; 30th October 2024**

**Time: 4.30 – 6.10 pm**

**Venue: APC Main Conference Room**

**Objective of the Side vent**

This event presents a vital opportunity for EPN and its partners to engage in discussions about the ongoing MNCH project, sharing the project approach in addressing PPH, Quality improvement, Hub and Spoke Model, Drug Revolving Fund, Product Introduction approach and the need for other EPN countries and DSOs to join a pooled procurement mechanism to increase supply of quality and affordable MNCH products.
